J12/WJ12 events may be mixed in any combination

ALL EVENTS will take place over a two-lane buoyed course and will be decided by knock-out competitions. SATURDAYS races will start from stake boats, SUNDAYS races will be free starts

PRIZES: Pint tankards will be presented to winners of all events.

Events are offered in two Divisions per day. Competitors are welcome to enter both morning and afternoon Divisions but NO doubling-up of competitors, boats or coxes is permitted within a Division. All events *may* be split into Bands dependant on number and range of entries.

MASTERS EVENTS: Masters' age classifications offered will depend on entries received and may be combined.

ENTRIES: May **only** be made on-line through the [British Rowing BROE2 website](#).

Entries will be open from midday on Tuesday 28th April, and close at midday on Thursday 28th May 2026. The draw will take place on Thursday 28th May and will be published as soon possible afterwards.

Payment must be made online via by [BROE2](#) only.

ENTRY FEES: Octos and eights £160, Fours (4+, 4-, 4x+, 4x-) £88, 2-/ 2x £44, and 1x £22 (no charge for coxes). Only entries that have paid in full, by the official Entries closing date above, will be considered for draw. If an event is oversubscribed, a fully paid entry does not guarantee a place in the draw. All rejected entries will be refunded in full.

The Regatta Draw and full instructions will be available here on the regatta website.

Please ensure that the contact information that appears on a Club's entries is correct and complete.

The Regatta offers a wide range of events, but is limited as to the number of races it can accommodate - Sunday being limited to a maximum of 130 races. Start time for Saturday is planned for 08:30 with the last race off by 17:30, for Sunday start at 09:00 with last race off at 16:30.

The Committee therefore reserves the right to refuse entries which are incomplete, to cancel any event with insufficient entries, and to suspend entries early if capacity has been reached. A waiting list will be held for any events suspended early. In the case of what it judges to be insufficient entries for a viable event, the Committee will transfer the entry to the next higher class without reference, unless it is made clear on the entry that this is not acceptable.

If the Regatta is cancelled, then only partial refunds will be made as the Regatta needs to retain an amount to cover the unavoidable costs incurred.
